

AUTHORS OF THE PUBLICATIONS

Olga V. Ananieva — Dr. Med. Sci., Associate Professor, Tyumen State Medical Academy

Marina V. Antipieva — Cand. Biol. Sci., Head of Laboratory, Federal Service on Customers' Rights Protection and Human Well-Being Surveillance (Perm)

Natalia V. Bezrutchko — Dr. Biol. Sci., Professor, Penza State Technology Academy

Sergey P. Vasilov — Cand. Biol. Sci., Senior researcher of Botanical Garden, Ural Branch of the Russian Academy of Sciences (Ekaterinburg)

Elena A. Volegova — Cand. Biol. Sci., engineer, Research Institute «SurgutNIPIneft»

Olga G. Voronova — Cand. Biol. Sci., Associate Professor, Department of Botany and Biotechnology of plants, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Sergey N. Gashev — Dr. Biol. Sci., Professor, Head of Zoology and Ichthyology Department, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Valeriy A. Glazunov — Cand. Biol. Sci., Senior researcher, Institute of Problems Development of the North, Russian Academy of Science, Siberian Branch

Svetlana A. Dubrovnaja — Cand. Biol. Sci., Associate Professor, Tatar State Humanity University (Kazan)

Alexander P. Dyatchenko — Dr. Biol. Sci., Associate Professor, Head of the Department of Botany and Methodology of Biology Teaching, Urals State Pedagogic University

Andrey V. Elifanov — Cand. Biol. Sci., Associate Professor, Pro-Rector, Tyumen State University

Anna V. Ermolaeva — Cand. Biol. Sci., Senior lecturer, Ishim State Pedagogical Institute

Oksana N. Zhigileva — Cand. Biol. Sci., Associate Professor, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Tatyana A. Zamaraeva — Senior researcher, All-Russian Research Institute of Entomology and Arachnology

Evgeniy V. Ippolitov — Doctor, Tyumen hospital №17

Mariya N. Kazantseva — Cand. Biol. Sci., Associate Professor, Department of Ecology and Genetics, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Olga V. Kaygorodtseva — postgraduate student, Department of Anatomy, Physiology, Sport medicine and Hygiene, Siberian State University of Physical Culture (Omsk)

Tatyana D. Karnazhitskaya — Cand. Biol. Sci., Head of Laboratory, Federal Service on Customers' Rights Protection and Human Well-Being Surveillance (Perm)

Nina Y. Kelina — Dr. Biol. Sci., Head of Biology, Biochemistry and Ecology Department, Penza State Technology Academy

Anastasiya V. Kislitsina — Cand. Biol. Sci., Senior Researcher, Federal Service on Customers' Rights Protection and Human Well-Being Surveillance (Perm)

Yulia S. Kolosova — Cand. Biol. Sci., Senior researcher, Institute of Ecology Problems of North, Russian Academy of Sciences, Ural Branch (Arkhangelsk)

Anton A. Kotenko — postgraduate student, Kurgan State University

Aleksander P. Kuznetsov — Dr. Biol. Sci., Professor, Honoured Scientist of the Russian Federation, Head of Human Anatomy and Physiology Department, Kurgan State University

Igor V. Kuzmin — Head of Botany garden, Biology Department, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University, Researcher of Zoological museum, Tyumen State University

Alyona Y. Levykh — Cand. Biol. Sci., Associate Professor, Ishim State Pedagogical Institute

Elizaveta L. Liberman — Researcher, All-Russian Scientific Research Institute of Veterinary Entomology and Arachnology, Russian Agricultural Academy (Tyumen)

Sergey F. Likhatchev — Dr. Biol. Sci., Dean of Ecology Department, Chelyabinsk State University

Mariya Y. Lupinos — postgraduate student, Department of Zoology and Ichthyology, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Innokentiy S. Nekrasov — graduate, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Marina V. Nikolenko — Cand. Biol. Sci., Associate Professor, Microbiology Department, Tyumen State Medical Academy

Sergey V. Panin — Cand. Med. Sci., Physician, Train Station Hospital (Tyumen)

Grigoriy S. Potapov — Researcher, Institute of Ecological Problems of the North, Russian Academy of Sciences, Ural Branch (Arkhangelsk)

Ekaterina O. Pshenitchnikova — Researcher, Federal Service on Customers' Rights Protection and Human Well-Being Surveillance (Perm)

Georgiy K. Rubtsov — Senior Lecturer, Department of Biology, Biochemistry and Ecology, Penza State Technology Academy

Svetlana N. Rusak — Cand. Biol. Sci., Associate Professor, Department of Ecology, Surgut State University

Yuriy E. Rusak — Dr. Med. Sci., Professor, Medical Institute, Surgut State University

Valentina L. Ryabikova — Assistant Professor, Department of Botany and Biotechnology of plants, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Natalya P. Savinykh — Cand. Biol. Sci., Professor, Vyatka State Humanities University

Nina V. Sazhina — Cand. Biol. Sci., Associate Professor, Kurgan State University

Aleksander G. Selyukov — Dr. Biol. Sci., Professor, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Elena A. Silivanova — Cand. Biol. Sci., Head of Toxicology and Biochemical analysis Sector, All-Russian Scientific Research Institute of Entomology and Arachnology

Lada N. Smelysheva — Dr. Med. Sci., Professor, Kurgan State University

Vladimir S. Soloviyev — Head of Anatomy and Physiology of Man and Animals Department, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Svetlana V. Soloviyeva — Dr. Med. Sci., Associate Professor, Tyumen State Medical Academy

Vitaliy A. Stolbov — Cand. Biol. Sci., Assistant Professor, Biology Department, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University

Tatyana H. Timokhina — Dr. Biol. Sci., Associate Professor, Tyumen State Medical Academy

Valeriy G. Tristan — Dr. Med. Sci., Professor, Moscow Institute of Physical Culture and Sport

Tatyana S. Ulanova — Dr. Biol. Sci., Professor, Head of Chemical and Analytical Methods of Research Department, Federal Service on Customers' Rights Protection and Human Well-Being Surveillance (Perm)

Natalya V. Hozyainova — Cand. Biol. Sci., Senior Specialist, JSC TyumenNIIgiprogaz

Hristosfis Georgiu — Dr. Biol. Sci., Senior Researcher, Laboratory of Protozoology, All-Russian Scientific Research Institute of Entomology and Arachnology

Natalya A. Hrushcheva — postgraduate student, Medical Institute, Surgut State University

Larisa P. Tcherapkina — Cand. Biol. Sci., Associate Professor, Department of Anatomy, Physiology, Sport medicine and Hygiene, Siberian State University of Physical Culture (Omsk)

Ulyana N. Tchikisheva — engineer, JSC Lesparkhoz (Tyumen)

Svetlana V. Shabalkina — postgraduate student, Biology Department, Vyatka State Humanitarian University

Sergey D. Sheykin — engineer, JSC Stroygeoproekt

Ludmila F. Shepeleva — Dr. Biol. Sci., Professor, Head of the Department of Botany, Surgut State University

Leonid A. Schuman — postgraduate student, Department of Zoology and Ichthyology, Institute of Mathematics, Humanities and Information Technologies, Tyumen State University
