
CONTENTS

EARTH SCIENCES AND NATURAL RESOURCE USE

- Moskovchenko D. V.,
Moskovchenko M. D.
**Assessment of Modern Landscape
Dynamics of the Zapolyarnoe Gas Field
Using Satellite Data**.....6
- Solodovnikov A. Yu.,
Solodovnikova Z. A.
**The Geography of Morbidity and the Death
Rate of Rural Population of the South of
the Tyumen Region at the Beginning of
the 3rd Millennium** 17
- Anastasia A. Novik A. A., Patsula O. A.,
Reynlender N. A., Shavnin A. A.
**The Assessment of the Flood Hazard in
2016-2017 for the Ecological Condition of
the Oxbow Ishimchik** 35

BIOLOGICAL SCIENCES AND ECOLOGY

- Tsibulsky V. R.
**Estimating the Biodiversity Stability in the
North of Western Siberia through
Stationary Wood-Ring Time Series of
Edificators Species** 44

Kapitonova O. A.

- Floristic Materials to the Rationale of the
Protected Natural Area Creation in the
Zavodoukovsky District of the Tyumen
Region**.....58

Arefiev S. P., Kazantseva M. N.

- Dendrochronological Reconstruction of
the Condition of Pripyshminsky Pine
Forests around the Natural and
Rehabilitation Complex “Gnezdo”**.....77

Bykova E. A., Golovtsov D. E.,
Esipov A. V.

- The Turkestan Lynx in the Chatkal
Range, Western Tien Shan,
Uzbekistan** 92

Gashev S. N., Konovalov A.A.,
Kazantseva M. N.

- Peculiarity of Interactions between
Components of Biota and Climate in
Western Siberia** 108

Belkin1 A. V., Dubrovsky V. N.,
Maslakova K. Yu.

- Evaluation of the Deformability of Rats’
Erythrocytes Exposed to Physical
Pressure** 126

ANNIVERSARIES, SCIENTIFIC EVENTS, REVIEWS

- 1st International Conference
“Psychophysiology and
Psychoneuroendocrinology”**133
