
AUTHORS OF THE PUBLICATIONS

Mariya V. Andreyeva - post-graduate student, Earth Cryosphere Institute, Siberian branch of Russian Academy of Sciences (Tyumen)

Vladimir M. Andreyenko - Cand. Geogr. Sci., Associate Professor, Department of Ecology and Geography, Ishim State Pedagogical Institute

Mariya N. Antonova - cartographer, JSC «Design-and-survey company»

Valentina A. Bezrukikh - Cand. Geogr. Sci., Professor, Department of Physical Geography and Geoecology, Krasnoyarsk State Pedagogical University

Tatyana L. Bespalova - Deputy Director of research, nature park «Kondinsk lakes», Khanty-Mansiysk Autonomous District-Yugra

Vladimir A. Beshentsev - Dr. Geol.-Miner. Sci., Professor of Physical Geography and Ecology Department, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Viktor A. Boyev - Cand. Biol. Sci., Associate Professor, Department of Geoecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Lidiya N. Vdovyuk - Cand. Geogr. Sci., Associate Professor, Department of Physical Geography and Ecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Tatyana V. Garmanova - post-graduate student, Department of Geoecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Elena R. Googe - post-graduate student, Department of Economic Geography, Ural State Pedagogical University (Yekaterinburg)

Larisa V. Gubanov -Senior Lecturer, Department of Ecology and Geography, Ishim State Pedagogical Institute

Vasiliy L. Guselnikov - post-graduate student, Department of geoecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Valentina A. Dobryakova - Cand. Geogr. Sci., Associate Professor, Department of Cartography and Geoinformation Systems, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Oleg Y. Elin - Senior Lecturer, Department of Physical Geography and Geoecology, Krasnoyarsk State Pedagogical University

Natalya V. Zherebyatyeva - Cand. Geogr. Sci., Associate Professor, Department of Physical Geography and Ecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Olga V. Zakharova - Cand. Philos. Sci., Associate Professor, Department of Philosophy, Institute for Humanities, Tyumen State University

Olga A. Zinovieva - post-graduate student, Department of Social and Economic Geography and Nature Management, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Yaroslav M. Ivanjo - Dr. Techn. Sci., Professor, Department of Informatics and Mathematical Modelling, Irkutsk State Agriculural Academy

Artyom A. Kazakov - Assistant, Department of Cartography and Geoinformation Systems, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Vasily V. Kozin - Dr. Geogr. Sci., Professor, Department of Social-Economic Geography and Nature Management, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Sergei E. Korkin - Cand. Geogr. Sci., Senior Lecturer, Department of Geography, Nizhnevartovsk State University for Humanities

Ivan N. Kornev - Cand. Geogr. Sci., Professor, Head of Department of Economic Geography and Geographical Education Methodolog, Ural State Pedagogical University, (Yekaterinburg)

Galina S. Koshcheyeva - Cand. Geogr. Sci., Senior Lecturer, Department of Ecology and Geography, Ishim State Pedagogical Institute

Sergey I. Larin - Cand. Geogr. Sci., Associate Professor, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Natalya S. Larina - Cand. Chem. Sci., Professor, Department of Organic and Ecological Chemistry, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Stanislav A. Laukhin - Dr. Geol.-Miner. Sci., Deputy Head, Department of Criology of the Earth, Russian State Geological Prospecting University (Moscow)

Alisa A. Lezhnina - student, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Marina O. Leibman - Dr. Geol.-Miner. Sci., Chief Researcher, Earth Cryosphere Institute, Russian Academy of Sciences, Siberian branch (Tyumen)

Evgeniy Y. Likutov - Cand. Geogr. Sci., Associate Professor, Physical Geography and Ecology Department, Institute of Mathematics, Science and Information Technologies, Tyumen State University, member-correspondent of Russian Ecological Academy

Mikhail A. Los - Assistant Professor, Department of Social and Cultural Service and Tourism, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Vladimir A. Lutchkin - engineer, LLC «TyumenNIIgiprogas»

Vasilij V. Novokhatin - Dr. Tech. Sci., Professor, Department of Cartography and Geographic Information Systems, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Elena I. Pavlova - Student of the master's program "Ecology and environmental management", Institute of Mathematics, Science and Information Technologies, Tyumen State University

Mariya V. Pashneva - Assistant Professor, Department of Physical Geography and Ecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Tatyana Popova - Cand. Biol. Sci., Associate Professor, Department of Physical Geography and Ecology, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Yuliya V. Timofeyeva - post-graduate student, Institute of Mathematics, Science and Information Technologies, Tyumen State University

Boris P. Tkatchev - Professor, Department of Ecology and Nature Management, Ugra State University (Khanty-Mansiysk)

Viktor G. Tryastsyn - Engineer, "Centros pas-Ugoria"

Artem V. Khomutov - Cand. Geol.-Miner. Sci., Researcher, Earth Cryosphere Institute, Russian Academy of Sciences, Siberian branch (Tyumen)

Dina R. Chernigova - Assistant Professor, Department of Land Management, Inventories and Agricultural Land Improvement, Irkutsk State Agricultural Academy

Vasilij A. Tchikharev - Researcher, LLC «TyumenNIIgopro gaz»

Elena V. Shapovalova - Cand. Philos. Sci., Director, Tyumen State University, Noyabrsk filial
