

AUTHORS OF THE PUBLICATIONS

Liliya V. Abdubakova — Senior Lecturer, Department of Algebra and Mathematical Logic, Tyumen State University

Igor N. Glukhikh — Dr. Sci. (Tech.), Professor, Department of Information Systems, Institute of Mathematics and Computer Sciences, Tyumen State University

Andrey A. Achimov — Post-graduate student, Department of Micro and Nanotechnology, Tyumen State University

Andrey S. Bezrukov — Post-graduate student, Department of Software Development, Institute of Mathematics and Computer Sciences, Tyumen State University

Olga E. Belosludtseva — Cardiologist, Cardiology Department № 1, Tyumen Cardiology Center

Yuliya V. Bidulya — Cand. Sci. (Philol.), Associate Professor, Department of Information Systems, Institute of Mathematics and Computer Sciences, Tyumen State University

Olga Yu. Boldyreva — Cand. Sci. (Phys.-Math.), Senior Researcher, Khristianovich Institute of Theoretical and Applied Mechanics (Tyumen Branch), Siberian Branch of Russian Academy of Sciences

Stanislav L. Borodin — Cand. Sci. (Phys.-Math.), Researcher, Khristianovich Institute of Theoretical and Applied Mechanics (Tyumen Branch), Siberian Branch of Russian Academy of Sciences

Andrey Yu. Botalov — Post-graduate student, Tyumen State University; Laboratory Assistant, Khristianovich Institute of Theoretical and Applied Mechanic (Tyumen Branch), Siberian Branch of Russian Academy of Sciences

Elena G. Brunova — Dr. Sci. (Philol.), Professor, Head of the Department of Foreign Languages and Cross-Cultural Communication in Science, Institute of Mathematics and Computer Sciences, Tyumen State University

Alexander A. Vakulin — Dr. Sci. (Tech.), Professor, Department of Multiphase Systems Mechanics, Institute of Physics and Chemistry, Tyumen State University

Marina S. Vorobyeva — Cand. Sci. (Tech.), Associate Professor, Department of Software Development, Institute of Mathematics and Computer Sciences, Tyumen State University

Lyudmila I. Gapon — Dr. Sci. (Med.), Professor, Head of the Scientific Department of Clinical Cardiology, Tyumen Cardiology Center

Anna V. Glazkova — Assistant, Department of Software, Institute of Mathematics and Computer Sciences, Tyumen State University

Alina A. Abusheva — Post-graduate student, Department of Information Systems, Institute of Mathematics and Computer Sciences, Tyumen State University

Alexey S. Gubkin — Post-graduate student, Institute of Physics and Chemistry, Tyumen State University

Anton P. Devyatkov — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematical Analysis and Functions Theory, Institute of Mathematics and Computer Sciences, Tyumen State University

Sergey L. Deryabin — Dr. Sci. (Phys.-Math.), Professor, Department of Higher and Applied Mathematics, Ural State University of Railway Transport (Ekaterinburg)

Sergey M. Dorofeyev — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematics and Computer Sciences, Tyumen State University

Sergey V. Dronov — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematics and Information Technologies, Altai State University (Barnaul)

Vladimir P. Dubov — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Radio Physics, Institute of Physics and Chemistry, Tyumen State University

Alexander A. Zakharov — Dr. Sci. (Tech.), Professor, Head of the Department of Information Security, Institute of Mathematics and Computer Sciences, Tyumen State University

Irina G. Zakharova — Dr. Sci. (Pedag.), Professor, Head of the Department of Software, Institute of Mathematics and Computer Sciences, Tyumen State University

Mikhail Yu. Zubkov — Cand. Sci. (Geol.-Mineral.), Head of Western Siberian Geological Center (Tyumen)

Dmitry E. Igoshin — Cand. Sci. (Phys.-Math.), Researcher, Khristianovich Institute of Theoretical and Applied Mechanics (Tyumen Branch), Siberian Branch of Russian Academy of Sciences

Yuriy A. Keller — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Operations Research, Tomsk State University

Anatoly A. Kislitsyn — Dr. Sci. (Phys.-Math.), Professor, Head of the Department of Micro and Nanotechnology, Institute of Physics and Chemistry, Tyumen State University

Vladimir N. Kutrunov — Dr. Sci. (Phys.-Math.), Professor, Head of the Department of Algebra and Mathematical Logic, Tyumen State University

Alexey V. Mezentsev — Senior Lecturer, Department of Higher and Applied Mathematics, Ural State University of Railway Transport (Ekaterinburg)

Pavel Ya. Mostovoy — Student, Institute of Mathematics and Computer Sciences, Tyumen State University

Vyacheslav E. Mosyagin — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematical Analysis and Function's Theory, Institute of Mathematics and Computer Sciences, Tyumen State University

Nail G. Musakaev — Dr. Sci. (Phys.-Math.), Professor, Head of the Laboratory of Hydrodynamics of multiphase Media, Khristianovich Institute of Theoretical and Applied

Mechanics (Tyumen branch), Siberian Branch of Russian Academy of Sciences; Tyumen State University

Natalya A. Musikhina — Cand. Sci. (Med.), Head of the Department of Emergency Cardiology, Scientific Department of Clinical Cardiology, Tyumen Cardiology Center

Olga A. Nikonova — Student, Institute of Mathematics and Computer Sciences, Tyumen State University

Alexander D. Novikov — Cand. Sci. (Pedag.), Associate Professor, Department of Mathematics and its Teaching Methods, Armavir State Pedagogical Academy

Evgeny A. Novikov — Dr. Sci. (Phys.-Math.), Professor, Senior Researcher, Institute of Computational Modeling, Siberian Branch of Russian Academy of Sciences (Krasnoyarsk)

Anatoly F. Nyashyn — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematical Modeling, Institute of Mathematics and Computer Sciences, Tyumen State University

Alexander G. Obukhov — Dr. Sci. (Physic.-Math.), Professor, Department of Higher Mathematics, Tyumen State Oil and Gas University

Evgeny A. Olennikov — Cand. Sci. (Tech.), Associate Professor, Department of Information Security, Institute of Mathematics and Computer Sciences, Tyumen State University

Irina V. Osipova — Assistant, Department of Emergency Cardiology, Scientific Department of Clinical Cardiology, Tyumen Cardiology Center

Tatyana I. Payusova — Senior Lecturer, Department of Information Security, Institute of Mathematics and Computer Sciences, Tyumen State University

Tatyana I. Petelina — Dr. Sci. (Med.), Senior Researcher, Hypertension and Coronary Insufficiency Unit, Scientific Department of Clinical Cardiology, Tyumen Cardiology Center

Sergey P. Pirogov — Dr. Sci. (Tech.), Professor, Department of Applied Mechanics, Tyumen State Oil and Gas University

Artyom G. Potapov — Post-graduate student, Department of Micro and Nanotechnology, Institute of Physics and Chemistry, Tyumen State University

Anton Yu. Pototsky — Post-graduate student, Radio Physics Department, Institute of Physics and Chemistry, Tyumen State University

Lyudmila A. Puldás — Cand. Sci. (Tech.), Senior Lecturer, Tyumen State University of Architecture and Civil Engineering

Sergey P. Rodionov — Dr. Sci. (Physic.-Math.), Professor, Tyumen State University; Head of the Laboratory of Oil and Gas Mechanics, Khristianovich Institute of Theoretical and Applied Mechanic (Tyumen Branch), Siberian Branch of Russian Academy of Sciences

Sergey N. Romanyuk — Researcher, Earth Cryosphere Institute, Siberian Branch of Russian Academy of Sciences (Tyumen).

Antonina S. Sazonova — Post-graduate student, Department of Mathematics and Information Technologies, Altai State University (Barnaul)

Dmitry A. Samolovov — Post-graduate student, Institute of Physics and Chemistry, Tyumen State University

Lyubov N. Sokolyuk — Cand. Sci. (Phys.-Math.), Senior Research Associate, Khristianovich Institute of Theoretical and Applied Mechanics (Tyumen Branch), Siberian Branch of Russian Academy of Sciences

Elena M. Sorokina — Senior Lecturer, Affiliate of the Military Education-Research Center Forces «Combined Arms Academy of the Russian Federation Armed Forces» (Tyumen)

Valery A. Tabarin — Dr. Sci. (Phys.-Math.), Professor, Radio Physics Department, Institute of Physics and Chemistry, Tyumen State University

Anastasiya G. Takkand — Cardiologist, Cardiology Department № 1, Tyumen Cardiology Center

Igor M. Tolmachev — Chief Engineer, Laboratory of Repair Technologies, FDI JSC«Gazturboservis» (Tyumen)

Sergey Yu. Udovichenko — Dr. Sci. (Phys.-Math.), Head of Nanotechnology REC, Tyumen State University

Alexander A. Fedorets — Dr. Sci. (Techn.), Associate Professor, Department of Microand Nanotechnology, Institute of Physics and Chemistry, Tyumen State University

Lyudmila N. Filimonova — Junior Researcher, Khristianovich Institute of Theoretical and Applied Mechanics (Tyumen Branch), Siberian Branch of Russian Academy of Sciences; Post-graduate student, Tyumen State University

Marat K. Khasanov — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Applied Mathematics and Mechanics, Bashkir State University (Sterlitamak Branch)

Aleksey G. Khokhlov — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematical Analysis and Theory of Functions, Institute of Mathematics and Computer Sciences, Tyumen State University

Dmitry A. Cherentsov — Post-graduate student, Assistant Lecturer, Department of Hydrocarbons Transport, Tyumen State Oil and Gas University

Alexander B. Shabarov — Dr. Sci. (Techn.), Professor, Head of the Department of Multiphase Systems Mechanics, Institute of Physics and Chemistry, Tyumen State University

Sergey D. Shalaginov — Cand. Sci. (Phys.-Math.), Associate Professor, Department of Mathematical Analysis and Theory of Functions, Institute of Mathematics and Computer Sciences, Tyumen State University

Natalya A. Shvemler — Post-graduate student, Department of Mathematical Analysis and Functions Theory, Institute of Mathematics and Computer Sciences, Tyumen State University

Alexey Yu. Shcherbich — Development Manager, Data Management Sector, Halliburton Company (Russian Federation, Tyumen)
