

AUTHOR OF THE PUBLICATION

Boris S. Kharitontsev — Dr. Sci. (Biol.), Professor of the Department of Biology, Ecology, and Nature Management, D.I. Mendeleev Tobolsk State Social and Pedagogical Academy

Zoya M. Shayakhmetova — Cand. Sci. (Biol), Senior Lecturer, Department of Botany, Perm State Humanitarian Pedagogical University

Ekaterina M. Shkaraba — Cand. Sci. (Biol), Associate Professor, Department of Botany, Perm State Humanitarian Pedagogical University

Tatyana V. Sviridenko — Senior Researcher, Scientific Research Institute of the Ecology of the North, Surgut State University

Boris F. Sviridenko — Professor, Department of Botany and Ecology of Plants, Surgut State University

Olga E. Tokar' — Cand. Sci. (Biol.), Associate Professor, Department of Ecology, Geography and Teaching Methodology Thereof, Ishim State Pedagogical University

Andrey N. Efremov — Can. Sci. (Biol.), Chief Specialist, Environmental Survey Department, Institute for Oil and Gas Projects, Construction and Rehabilitation (Omsk)

Maria N. Kazantseva — Cand. Sci. (Biol.), Associate Professor, Department of Ecology and Genetics, Institute of Biology, Tyumen State University

Alexander S. Mochalov — Cand. Sci. (Biol.), Head of Botanic Garden, Kurgan State University

Igor V. Kuzmin — Managing Director of Botanic Garden, Tyumen State University

Oleg V. Kozlov — Dr. Sci. (Biol.), Professor, Head of Department of Zoology and Bioecology, Kurgan State University

Tatyana V. Azyavchikova — Senior Lecturer, Department of Zoology and Nature Protection, Francisk Skorina Gomel State University (Ukraine)

Tatyana A. Khlyzova — Cand. Sci. (Biol.), Senior Researcher, Russian Research and Development Institute of Veterinary Entomology and Arachnology (Tyumen)

Stanislav V. Latkin — Junior Researcher, Russian Research and Development Institute of Veterinary Entomology and Arachnology (Tyumen)

Olga A. Fedorova — Cand. Sci. (Biol.), Russian Research and Development Institute of Veterinary Entomology and Arachnology (Tyumen)

Raisa P. Pavlova — Dr. Sci. (Biol.), Professor, Russian Research and Development Institute of Veterinary Entomology and Arachnology (Tyumen)

Mikhail A. Levchenko — Cand. Sci. (Veterinary), Cand. Sci. (Biol.), Head of the Veterinary Diagnostic Laboratory, Russian Research and Development Institute of Veterinary Entomology and Arachnology of the Russian Agricultural Academy (Tyumen)

Elena A. Silivanova — Head of the Section of Toxicology and Biochemical Analysis, Russian Research and Development Institute of Veterinary Entomology and Arachnology of the Russian Agricultural Academy (Tyumen); Associate Professor, Department of Ecology and Genetics, Tyumen State University

Dmitry N. Kyrov — Cand. Sci. (Biol.), Associate Professor, Department of Human and Animal Anatomy and Physiology, Tyumen State University

Sergey N. Gashev — Dr. Sci. (Biol.), Head of Department of Zoology and Evolutionary Ecology of Animals, Institute of Biology, Tyumen State University

Anastasia A. Tomishina — Student, Department of Zoology and Evolutionary Ecology of Animals, Institute of Biology, Tyumen State University

Yuri M. Zaharov — Dr. Sci. (Med.), Academician (Russian Academy of Sciences), Head of Normal Physiology Department, South-Ural State Medical University (Chelyabinsk, Russia)

Igor Yu. Melnikov — Cand. Sci. (Med.), Associate Professor, Normal physiology Department, South-Ural State Medical University (Chelyabinsk, Russia)

Alexander G. Rassokhin — Doct. Sci. (Med.), Professor

Alexey V. Belkin — Cand. Sci. (Biol.), Associate Professor, Department of Human Anatomy and Physiology, Institute of Biology, Tyumen State University

Andrey V. Elifanov — Cand. Sci. (Biol.), Associate Professor, Department of Human and Animal Anatomy and Physiology, Institute of Biology, Tyumen State University

Olga N. Lepunova — Cand. Sci. (Biol.), Associate Professor, Department of Human and Animal Anatomy and Physiology, Institute of Biology, Tyumen State University

Sergey L. Sashenkov — Dr. Sci. (Med.), Professor, Normal physiology Department, South Ural State Medical University (Chelyabinsk)

Larisa V. Alacheva — Assistant, Normal physiology Department, South Ural State Medical University (Chelyabinsk)

Vladimir S. Solovyev — Dr. Sci. (Med.), Professor, Head of anatomy and physiology of man and animal Department, Institute of Biology, Tyumen State University

Svetlana V. Solovyova — Dr. Sci. (Med.), Professor, Tyumen State Medical Academy

Tatyana N. Tsertsek — Post-graduate Student, Tyumen State University

Elina M. Bakieva — Post-graduate Student, Tyumen State University

Natalia V. Trusevich — Post-graduate Student, Tyumen State University

Lada N. Smelysheva — Dr Sci. (Med.), Professor, Human Anatomy and Physiology Department, Kurgan State University

Roman V. Sidorov — Associate Professor, Human Anatomy and Physiology Department, Kurgan State University

Julia A. Vasilyeva — Post-graduate Student, Human Anatomy and Physiology Department, Kurgan State University

Maria M. Kiselev — Post-graduate Student, Human Anatomy and Physiology Department, Kurgan State University

Alla G. Naimushina — Dr Sci. (Med), Professor, Department of Theory and Technique of Vocational Training, Tyumen State Oil and Gas University

Svetlana V. Solovyova — Dr Sci. (Med.), Professor, Tyumen State Medical Academy

Nailya Z. Bakieva — Cand. Sci. (Biol.), Senior Lecturer, Department of Biomedical Sciences and Vital Activity Security, Institute of Psychology and Pedagogics, Tyumen State University

Nadezhda N. Grebneva — Dr. Sci. (Biol.), Professor, Head of Department of Biomedical Sciences and Vital Activity Security, Institute of Psychology and Pedagogics, Tyumen State University

Vladimir S. Soloviev — Dr Sci. (Med.), Professor, Head of the Department of Anatomy of Human and Animal Physiology, Institute of Biology, Tyumen State University

Irina A. Pogonysheva — Cand. Sci. (Biol.), Associate Professor, Department of Ecology, Nizhnevartovsk State University

Denis A. Pogonyshv — Can. Sci. (Biol.), Associate Professor, Department of Ecology, Nizhnevartovsk State University

Lyudmila I. Katashinskaya — Cand. Sci. (Biol.), Associate Professor, Department of Biology and Techniques of its Teaching, Ershov Ishim State Teachers Training Institute

Larisa V. Gubanova — Cand. Sci. (Biol.), Associate Professor, Department of Geography, Ecology and Techniques of Their Training, Ershov Ishim State Teachers Training Institute

Elena S. Yagudina — Senior Lecturer, Center for Physical Therapy and Fitness, Tyumen State University

Nikolay Ya. Prokopiev — Dr Sci. (Med.), Professor, Department of Physical Education and Sports Management, Institute of Physical Training, Tyumen State University

Lyudmila P. Avramenko — Cand. Sci. (Med.), Associate Professor, Department of Internal Medicine, Outpatient Therapy and Family Medicine, Tyumen State Medical Academy

Sergey A. Petrov — Dr. Sci. (Med.), Professor, Head of Department of Protective Mechanisms in Cryosphere Reproductive Systems of Tyumen Scientific Center (SB RAS), Director of Research Institute for General and Applied Cryology of Tyumen State Oil and Gas University

Natalia L. Mamaeva — Senior Researcher, Department of Protective Mechanisms in Cryosphere Reproductive Systems, of Tyumen Scientific Center SB RAS, Assistant of Department of Technosphere Safety, Tyumen State Oil and Gas University

Nataliya N. Pavlova — Cand. Sci. (Med.), Associate Professor, Endoscopist, Gastroenterologist, Tyumen Regional Autonomous Public Health Agency “Consultative Diagnostic Center”

Marina V. Nikolenko — Dr. Sci. (Biol.), Associate Professor, Department of Microbiology, Tyumen State Medical Academy

Sergey L. Galyan — Dr. Sci. (Med.), Professor, Head of the Department of Biochemistry, Tyumen State Medical Academy

Tatiana Yu. Il'nykh — Cand. Sci. (Biol.), Assistant, Department of Biochemistry, Tyumen State Medical Academy

Danil Yu. Kadochnikov — Post-graduate Student, Department of Cybernetic Technologies, Tyumen State Oil and Gas University

Vladimir G. Popov — Cand. Sci. (Sociol.), Head of the Department of Commodity and Food Technology, Tyumen State Oil and Gas University
